

GenieInks Amazing ZV

GenieInk Amazing ZV is a Zero VOC Sheet-fed Offset Ink,
Designed to meet the demands of top quality printing.

Features and Benefits:

- Excellent ink-water balance; reduces frequent adjustments on press
- Duct-fresh; reduces ink wastage and unproductive time spent in wash-up
- High rub resistance; allows printed sheets to be handled without damaging the prints
- High color intensity; for high color contrast
- Low dot gain; ensures sharp image reproduction even in areas of heavy ink coverage
- Fast Setting; enables quick post print operations

Product Comparison:

GenieInk Amazing ZV compares favorably to Toyo Hyplus 100 Zero VOC and VanSon VS Zero

Substrate Compatibility:

Glossy Coated Paper & Board	Uncoated Paper & Board	Matte Coated Paper & Board
